### Artwork Details:

Tobias Till | The Major Arcana | 2015 | 22 hand tinted lino-cut prints on 640 gsm Fabriano Artistic paper | Signed and editioned by the artist | Edition of 50

Tobias Till's wonderful latest series of linocut prints, *The Major Arcana*, consists of 22 hand tinted artworks interpreting the Tarot trump cards, which are collectively known as Major Arcana. Tobias's decision to create an artwork centred around Tarot derived not from their traditional use in fortune telling, but rather the fact that they have evolved to represent the full spectrum of the human psyche. This gave Tobias a theatrical structure on which to create his own set of characters, in an updated version of the 18<sup>th</sup> century cards, which also contain the historical narratives and London references for which he has become highly regarded.

### About the Artist:

Tobias Till studied at Central School of Art, Byam Shaw School of Art and the Royal Academy. London has become his principle subject matter and enduring inspiration. He is renowned for his distinctive, lyrical images of the city produced through the medium of print making. Till's work is housed in numerous collections including the Ashmolean Museum, Royal Society of Painter Printmakers Diploma Collection, Royal Bank of Scotland and Portcullis House.
